23. APR. 1943
GOVT. OF MYSORE

Subject:- Additional lands for R.A.F. - Jalahalli Area.

With reference to your letter No. 3879-80/W dated 9th April 1943 on the above subject, I have the honour to state as follows:-

It is reported by the Civil Officer, that the Palace lands mentioned in the communication under reference are survey Nos. 10 and 11 of Tanneranahalli village - measuring 4 acres and 32 guntas and 13 acres 38 guntas respectively. It is seen from the records of this Office that the two survey numbers were not granted for use by the Military when they were requisitioned on previous occasions. (Vide letter No. Pol.2259/Mly.351-41-7 dated 30th May 1942 from the Secretary to Government, General Department, to the Residency and this Office letter No. C.L.O.94/42-43 dated 14-10-1942 addressed to you). I am therefore of opinion that the grant of the Palace lands to the Military may be refused.

Regarding the Sandal Wood Plantation, I enclose a copy of letter No. M.F.49-752/40 dated 12-4-1943 received from the Chief Conservator of Forests and request that the Military authorities may kindly be asked to send a sketch of the area required as desired by the Chief Conservator for taking further needful action.

Re:- Additional land required for R.A.F. Jalahalli area.

It appears from your D.O. letter No. C.L.O.384/42-43 of the 1st instant that the whole of our Jarakabande Sandal Reserve is wanted for R.A.F. purposes. The position would be clear to me if a sketch of the area required is obtained and furnished. In the meantime I have asked the District Forest Officer, Bangalore, to send a report to me in the matter. The amount of compensation payable can be fixed only after the exact extent of the area required is known and the trees to be inevitably removed are marked or actually cut.
